You can get administrative services in the municipality of refuge

Based on the Nuclear Emergency Refugee Exception Law, you can contact the municipality where you evacuated to and receive administrative services related to special affairs such as school attendance and welfare.

You can follow the procedures for the following three systems by mail

※Please download the forms from the city homepage. You can also receive them by mail upon request.

◆ Child Allowance: (paid before the completion of junior high school)

Please mail a certified invoice (Form No. 2), a guardian's insurance card (a copy of National Health Insurance is not required), and a copy of your bank passbook. For more than 2 children, please mail the amount revision notice (Form 4).

◆ “Welcome Baby” Birthday Celebration Gift: (Apply within 30 days from the date of birth of the child.)

Please mail the application form (Form No. 1) for the target items (paper diapers, wipes, and powdered milk will be paid for each child, around ¥20,000). Then, after you receive the notification of payment decision, mail the application form for benefit payment (Form 9) and receipt (receipt showing purchased items, etc.).

◆ Medical Expense Qualification Application / Change Application / Expense Subsidy Application: (Apply for qualification when the child's insurance card is issued.)

Please mail a copy of the application form, the child's health insurance card, and bank passbook in the name of the guardian in the case of an eligibility application or change application. If you are admitted to a hospital outside the city (excluding Soma and Shinchi), you will have to pay the burden to the medical institution (including the pharmacy) once and send in the subsidy application and receipt (medical date, the number of medical treatments, the amount of money, the medical institution, and the receipt stamp).

One copy is required per institution per month.
